

CH-3/25 SPECIAL PORTABLE AUDIO/VIDEO TRANSMITTER 61.25 MHz HF

This video transmitter gives over 25 W RF power in 61.25 MHz (CH3 TV). This portable video transmitter has excellent performances and great range (over 10 miles with a good antenna). It is fully mobile and works with 12 VDC (car battery). Dimensions: 10.0 " X 4.0 " X 3.0 ".

| Technical Specifications | |
|----------------------------------|---------------------|
| Battery power: | 12 V- 12.6 V |
| Max. current consumption: | 5800 mA |
| RF in / out : | 50 ohm |
| RF power output: | 30 W ma CW |
| Video Input: | 1 V |
| Freq. range: | 61.25 MHz (CH-3 TV) |
| Audio input: | 300 mV |
| Size: | 10"x4.0"x3.0" |
| Output connector: | N- F |
| Protection, temperature and VSWR | Yes |
